

T-30 | T-15 Results (October 21, 2024)

Below re results from our first T-30/ T-15 (timed 30/15-minute swim) of the season. The coaching staff would like to thank everyone for participating including the parents for coming and counting laps for your athlete(s).

The coaching staff thought the kids did a great job. Lots of hamstring turns, tight streamline and getting out of their comfort zone. We had a number of swimmers doing this for the first time and everyone really stepped up to the challenge. We hope this is a building block of confidence moving forward for our athletes.
